Knitty Things

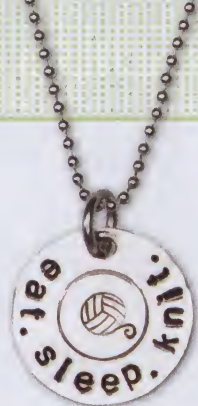

By Linda Permann

Top your holiday gift list with these great finds.

Charmed, We're Sure

This pretty necklace celebrates our three most essential daily activities: eating, sleeping, and knitting! Featuring a sterling silver pendant hand-stamped by jeweler Sandy Simpson, it can be personalized with your message of choice, too. \$40 + shop.punkyjane.com

Love Story

New worsted weight With Love yarn from Red Heart is a premium (read: very soft) acrylic that comes in a generous 390-yard ball. It's a great choice for everything from afghans to wash-and-wear sweaters, and with no dye lots to match, you can buy more yarn as you go. Available in 28 colors, including a couple of multis.

Knit It Forward

Have a friend who's itching to knit? Share this Learn Knitting kit from Susan Bates, which comes with two pairs of knitting needles, yarn needles, a cable needle, stitch holders, point protectors, and a gauge measure, along with 16 fresh patterns to get them going. Full-color photos and instructions for both left- and right-handers will give anyone a head start.

PERFECT FOR AIRPLANES!

Contain Yourself

Keep essentials at the ready with The Knit Kit, a handy all-in-one tool that contains everything you'll need in your knitting bag—minus the yarn and needles. Think tape measure; locking stitch counter; thread cutter; mini crochet hook (for dropped stitches); stitch markers; yarn needle; and super-sharp, folding scissors that are travel-friendly. About \$22 + theknitkit.com

Seams Easy

Sewing your projects right makes all the difference between handmade and homemade. Streamline seaming with Knit Klips, handy plastic clips that securely hold knitted fabric in place without poking you or falling out, like straight pins sometimes do.

Knit & Sip

Raise a stitch-themed toast at Knit Night with these colorful and clever wine glasses, available in tinted purple, blue, and red, all with knit-related sayings. We love the frogging version, which reads "Rip it, Sip it"—a realistic mantra if you try to pair wine sipping with knitting! \$12 + craftyglasses.com

GREAT GIFT IDEA!

Happy Feet

Pamper your tootsies with pleasantly scented Heel, a new foot cream from the makers of Soak Wash. This stuff isn't thick and goopy like other foot creams; it's spreadable like a lotion, but still delivers the necessary TLC to tired feet. Choose from cucumber, spearmint, or unscented.

TREAT YOUR FEET!

Charity Knit! SPECIAL OLYMPICS

Get a head start on your 2012 charity crafting by knitting scarves for the Special Olympics, a program that gives intellectually disabled athletes an opportunity to realize their potential and celebrate their accomplishments. Last year, more than 26,000 donated scarves were worn by athletes, coaches, families, and volunteers as a symbol of unity, compassion, and empowerment. You can send your scarves to any of 39 participating states, using the official colors of Red Heart Super Saver or Soft Yarn. For free patterns and deadlines, visit scarvesforspecialolympics.org.

*Remember to check gauge for
best results!*

NOTES

The Gift Bag is worked in the round on double-pointed needles beginning in the center of the bottom piece. Change to circular needle as sts allow. When working stripes, pick up new yarn from under old to twist yarns and prevent holes. Carry colors not in use along wrong side of work.

SPECIAL ABBREVIATION

CDD Central Double Decrease
(2 sts dec) Slip 2 sts together
knitwise, knit 1 st, pass
slipped stitches over knit st.

SPECIAL TECHNIQUES

I-Cord With two double-pointed needles, cast on 2 sts. Knit. *Slip sts to opposite end of needle without turning and holding yarn in back, knit across; repeat from * until I-Cord measures desired length. Bind off.

Jogless Jog When you knit in the round, you are basically knitting a spiral. Therefore, the last stitch of one round is one stitch higher than the stitch below, resulting in a jog if you are changing colors while knitting stripes. To avoid this jog, knit with the first color in the normal fashion. Switch colors and knit the first round of the next color. When you come back to the stitch marker at the beginning of the round,

slip the first stitch of the new color in the second round, and knit it when you return to it at the end of the round. Repeat this process each time you change colors. The end of the round shifts one stitch to the left each time you change colors, wrapping around the bag as you knit, but this is not noticeable. Move the marker as necessary. Do not use this technique with the Chevron Stripe Pattern.

STITCH PATTERNS

Color Stripe Pattern

Note Use Jogless Jog for smooth stripes.

Knit 2 rounds with A, 2 rounds with B, 2 rounds with A, and 2 rounds with C. Repeat these 8 rounds for Color Stripe Pattern.

Chevron Stripe Pattern (Multiple of 12 sts)

Note Do not use Jogless Jog while working Chevron Stripe Pattern.

Round 1 + With B, knit.

Round 2 + With B, *k1, M1, k4, CDD, k4, M1; repeat from *.

Round 3 + With A, knit.

Round 4 + With A, repeat Round 2.

Round 5 + With C, knit.

Round 6 + With C, repeat Round 2.

Round 7 + With A, knit.

Round 8 + With A, repeat Round 2.

Repeat Rounds 1–8 for Chevron Stripe Pattern.

GIFT BAG

Change to circular needle as sts allow.

With double-pointed needles and A, cast on 4 sts. Divide sts evenly around needles. Join to work in rounds, taking care not to twist sts. Place marker

Purls of Wisdom

Puzzled by a knitting problem? Our pro **Shannon Okey** breaks it down for all skill levels. In this month's column: felting, reading charts, and improving "Ugly Isle" knits.

Q All the new cable patterns I want to knit use charts, and I've never read a chart before. Help!

ALLYSON
CHICAGO

A Never fear, Allyson. Charts are a way to represent information visually. Instead of reading a line of directions stitch by stitch by stitch, you can "see" the stitches as you knit along. Charts are not difficult to master, but you need to follow a few guidelines.

Use the chart below as reference. It's also helpful to use

a row counter to remember which row you're on. Cable charts don't always make it easy to figure out where you left off, and you don't want to repeat or miss a row.

Read through the pattern before starting. For example, some charts show only the right (public-facing) side because all wrong side rows are purled, often indicated by a chart's rows having only odd numbers.

Familiarize yourself with the stitch symbols used in the chart, either by referring to its legend on the same page or checking out the stitch key. Not every publisher or designer uses the same symbols for the same stitch.

One advantage to seeing cables in chart format is that the chart symbols usually indicate whether the cable cross leans to the right or the left, so you can check your work right away and make sure you're on the right track.

Charts are usually read from bottom to top. When you're knitting flat, they're read from right to left on odd rows, and from left to right on even rows. Often a chart's row numbers are located on one side and often with just the odd numbers showing.

When you're doing your gauge swatch, compare the chart to the written directions. This may put you at ease when you read charts in the future.

Q Felting scares me. What steps can I take to prevent a felting disaster after I spend all that time knitting?

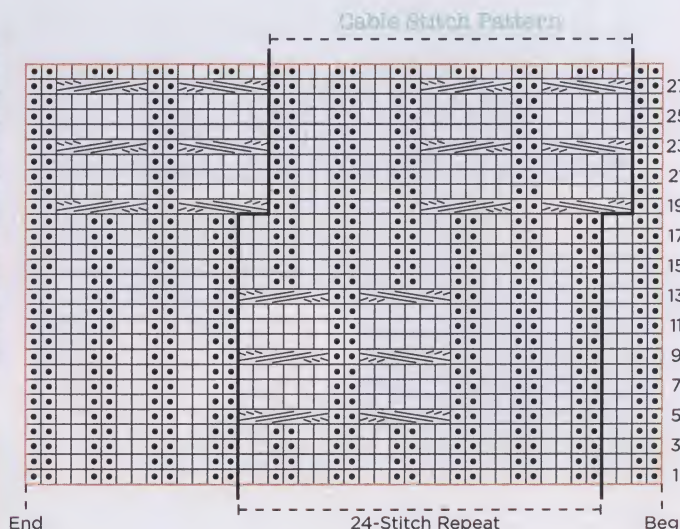

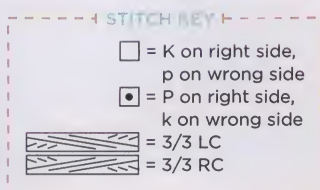

MARGARETE
GERMANTOWN, MD

A First, Margarete, I'm assuming you're talking about what I call "knit and shrink felting" vs. needle-felting or wet felting.

First, consider the project and its purpose. Felted slippers, for example, will stretch when worn, so they're often deliberately made smaller. A felted hat should fit the head it's made for, right out of the washer. And if a bag shrinks an extra inch in the washer, it's still useful.

For peace of mind, it's a good idea to knit and felt swatches to get an idea of how much the yarn shrinks. In addition, check your project periodically while it's in the washing machine, so you can rescue it from becoming Lilliputian if need be.

Items felt very quickly. You'll want to check the progress of your project every 5 minutes. Once it starts to felt, check every minute or two. You'll know it's felted when you can't make out individual stitches.

Fair Isle Knitting: Divide and Conquer

Once it reaches that stage, take it out and measure it. Is it the size you want? If not, let it go for a little while longer. There's no rule of how long you need to keep your piece in the washer. Take it out when it's ready.

When you're felting bags, hats, or anything with an opening, you open your project up, literally, to distortion from the water. Instead of a nice pillbox shape, you've suddenly got a bucket hat, for instance. To prevent this, loosely whip stitch the opening closed using cotton yarn or another non-felting thread. Remove the thread before drying the item. Leaving the piece to air dry on an appropriately shaped item, such as a jar or coffee can, will help preserve the shape.

For more in-depth felting tips, see "Take the Plunge," on page 52 of our April/May 2011 issue.

Q I started working on my first Fair Isle project, from the March/April 2011 issue. I'm almost done with the first blanket square, but it's been such a slow process. How can I knit fast when I have two different colors of yarn? And some of the stitches are awfully big. ... I've been calling my work the "Ugly Isle" blanket. Would you give me some advice?

✧ MAYA

VIA OUR FACEBOOK PAGE
(WWW.FACEBOOK.COM/
KNITTINGTODAYMAGAZINE)

A Speed comes with time, Maya. I know, that's cold comfort.

Eventually you'll find the way that works best for you. Some knitters like to hold one color in each hand and knit the right-hand yarn "English" (by wrapping the yarn around the needle) while the other color, held in the left hand, is knit "Continental" (by picking the yarn through the stitch with your needle tip). I like to wrap one color around one finger and one color around another and move my hand back and forth a little when wrapping the appropriate color for the

next stitch. Experiment! It will get easier, I promise.

Meanwhile, as for your big stitches, don't worry. Almost everyone's Fair Isle looks wonky while it's being knit. Even people who actually live on Fair Isle! Why? Maintaining perfectly even tension

with two colors of yarn is not easy. However, there is a secret weapon: blocking. Washing and blocking your pieces makes a world of difference. The stitches relax and (almost magically) even out. Try it for yourself on a swatch and see. ✧

Bead It!

Add a little sparkle to your knitting with three easy beading techniques.

By Amy Polcyn

Knitting with beads has been a favored technique for centuries, to the point where pieces were fully covered with beads in floral and figural designs. Fortunately, there are simpler ways to add the glamour of beads to your knitting. We'll focus on the three most common, all of which are featured in the *Starry Night Clutch* on page 31).

What You Need

You want to choose a yarn that can withstand the abrasion of beads. Yarn that is smooth, firmly plied, and thin enough to fit through the beads is best. Silk or cot-

ton fibers are particularly strong. On the flipside, choose beads that don't unnecessarily strain the yarn. Select beads with smooth edges and uniform holes. In general, Japanese or Czech seed beads are best and come in a variety of sizes, from tiny 11/0 to the much larger 2/0. For worsted-weight yarn, choose 6/0 or 4/0 beads.

Stringing the Beads

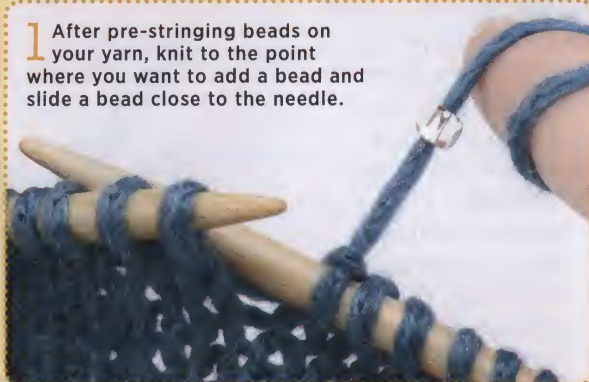

For most techniques, you need to pre-string the beads on the yarn. Tapestry needles are usually too large to fit through the hole of the beads, so instead, try a "big eye" beading needle or, even, a dental floss threader from your local drug store. Once you thread your needle, slide the beads down the yarn. You don't need to count the exact number of beads you need and string them all at once; in fact, this tends to slow down the work and strain the yarn. Thread enough to work

Practice all three techniques with the *Starry Night Clutch* on page 31.

Slip-Stitch Beading

1 After pre-stringing beads on your yarn, knit to the point where you want to add a bead and slide a bead close to the needle.

2 Bring the yarn and bead between the needles to the front of the work and slip the next stitch purlwise.

3 Wrap the yarn between the needles, leaving the bead in front of the slipped stitch and continuing with the row.

the pattern for 6 to 8 inches or so, then cut the yarn and add more beads.

Three Techniques

Choose your technique above depending on your desired effect. If you'd like beads sprinkled throughout

your project, choose the slip-stitch technique, which has the added advantage of not changing your gauge. If you'd like to add more dramatic effects or shape your knitting with beads, then slide beading is for you. If you just want to add

Slide Beading

1 Knit to the desired space between two stitches and slide your pre-strung beads against the right needle.

2 Knit the next stitch as usual, pulling the beads to the front of your knitting in the process.

3 Because the beads sit between your stitches, your gauge will change according to the number of beads you add.

Hooked Beading

1 Slip a bead onto a small steel crochet hook and slip an unknit stitch from the left needle onto the hook.

2 Grabbing the yarn with your crochet hook, pull the yarn through the bead.

3 Place the stitch on the right needle without working it and continue your row.

an accent bead here and there, then use the hooked bead technique because it is the only one that doesn't require pre-stringing.

General Tips

To prevent tangles, pull your yarn from the center

of the ball. Keep your yarn beside you on the floor, allowing gravity to help keep the beads under control. Using a "yarn bra" or a small ziplock bag can help keep things orderly as well.

If you make a mistake and forget a bead, don't

panic. Cut a short length of yarn, string on a bead, and thread it on a tapestry needle. Insert it through the stitch that is missing a bead, snug the bead up against the work, and weave in the tails to secure. You can also get creative by sewing

beads onto the surface of your knitting for a beaded embroidery look. Or you can use the hooked beading technique to add beads to a crocheted trim. Instead of beads, try paillettes or charms to add a bit of bling. Most of all, have fun! **K**

GAUGE

14 sts and 20 rows = 4"/10cm in Stockinette st
Gauge is not essential for this project.

NOTES

Circular needle is used to accommodate large number of stitches. Do not join; work back and forth. Seed stitch border is worked as you go. Boxes are worked in Reverse Stockinette stitch and once completed, color A is worked in Stockinette stitch. Take care to keep yarn at the wrong side of work when changing colors. Pick up new color from under old color to twist yarns and to prevent holes. When moving yarn from front to back when changing colors, be sure to take yarn between the needles. If using yarn bobbins, wind 2 bobbins with color A and 1 bobbin each for colors B–F.

SPECIAL TECHNIQUE

Surface Slip Stitch

With strand of yarn make a slip knot; holding slip knot in back of work, insert crochet hook from front to back and pull loop through to front; skip two purl bumps and insert hook in next row above, yo and pull loop through to front and through loop on hook. Repeat for length of color box.

NOTES

Coat is worked in one piece, back and forth in rows, from Neck edge down to Arm-holes. Then Body and Sleeves are worked separately; Body is worked back and forth to bottom edge, and Sleeves are worked in the round. Carry color not in use loosely along WS of work.

SPECIAL TECHNIQUE

Provisional Cast-On With waste yarn, make a slip knot and place on crochet hook. With crochet hook in right hand and needle in left hand, bring ball end of waste yarn behind needle. *With crochet hook, cross in front of needle, catch yarn, draw up a loop, and pull it through loop on crochet hook (1 stitch cast on to needle); take yarn between

hook and needle and around to back of needle again. Repeat from * until required number of stitches have been cast on. Work a few chain stitches with crochet hook, then fasten off. These chain stitches indicate the end of the provisional cast-on that you will unravel. To remove the cast-on, unpick the last stitch and unravel the waste yarn, slipping live stitches onto the needle as they become available.

SPECIAL ABBREVIATION

10/10 LC Slip 10 sts to cable needle and hold in front of work, [k1, p1] 5 times, [k1, p1] 5 times from cable needle.

SPECIAL TECHNIQUES

Figure-8 Cast-On Hold circular needle points parallel and facing in same direction, wrap yarn around them in a figure-8 for required number of times, pull through bottom needle, place marker, knit the stitches on

top needle, place marker, knit remaining half of stitches. On either the top or the bottom half of stitches, the stitches will be twisted the wrong way, so remember to knit into the backs of the loops when you encounter the twisted stitches. Work across sts using magic loop method of circular knitting with second needle.

Grafting Place sts to be grafted onto 2 needles with wrong sides together and with needle points facing to the right. Using yarn needle, insert into first st on front needle as if to purl, leaving st on needle. Insert into first st on back needle as if to knit, leaving st on needle. *Insert into first st on front needle as if to knit, slipping st off needle, then into next st as if to purl, leaving st on needle. Being careful not to twist, join
to work in the round.

Round 1 + Knit all sts.

Round 2 + Change to A and
knit all sts.

Round 3 + *K1-f/b, k1; repeat
from * around—9 sts.

Bind off all sts and weave in ends.

HAND AND FEET

(Make 4)

Using A, cast on 3 sts.

Rows 1–2 + Working back
and forth in St st and starting
with a RS row, work 2 rows.

Row 3 + K3tog—1 st.

Bind off and weave in ends.

FELTING

Set your washer to hot, on
a heavy duty cycle with low
water. Place the Mouse parts
into a mesh laundry bag or
a pillow case. It takes a few
minutes for the pieces to show
signs of shrinkage. Once they
do, check them often, at least
every one or two minutes.
Pull pieces out when the stitch
definition is completely gone
and they are the correct size.
Because they are so small, the
Hands, Feet, and Nose may
never completely lose their
stitch definition. They also

may need to be felted longer than the Body and Head. Lay out all pieces and let dry completely.

FINISHING

When pieces are completely dry, fill the Body with enough stuffing to achieve the Mouse shape as shown in the photo. Poke a finger into the center of the stuffing and fill with catnip. Fill the Head with polyester stuffing. If the hole is not large enough, poke a knitting needle into it and jiggle it around to enlarge. Thread the yarn needle with A. Sew the Head to the Body using a tiny overcast stitch. If the stitches are small enough, they will disappear into the felt. Sew on the Snout in the same manner. Thread the needle with B and using photo as a guide, embroider several large overcast stitches at the end of the nose.

You can adjust the size and shape of the Ears by threading a length of A along the outside edge of an Ear. Pull on both sides of the yarn to make the Ear smaller and cup in. Tie off when you have the desired shape, sew to head and weave in ends. Repeat with the other Ear. If you like the size and shape of the Ears, skip prior step and simply sew onto the Head. Embroider the eyes in C, also using several overcast stitches. You may want to split the black yarn into a single ply to have better control over the size of the eyes. Sew the Hands and Feet onto the Body, using A and the photo as a guide for placement. To give the Hands a little shape, sew a small pinch at one end of the Hand before sewing to the Body. **K**

FINISHED MEASUREMENTS

Snowman 3.5"/9cm wide by 8"/20cm high

GAUGE

15 sts and 20 rows = 4"/10cm in Stockinette st, before felting

NOTES

The Snowman is worked in one piece, starting at the largest ball and ending at the smallest. There is no seaming. Add balls to the knitting as you progress and felt the Snowman with the balls encased. For a softer toy and to ensure the fit of the balls, wrap roving wool around each of the balls before inserting into knitting. Adjust the amount of roving based on how the ball fits into the knitting. The wrapped balls should fit loosely. When the Snowman felts, it'll hold tight to the balls.

FELTING

Set your washer to hot, on a heavy duty cycle with low water and add the Snowman. It will take a few minutes for the toy to show signs of shrinkage. Once it does, check it often, at least every one or two minutes. Pull it out when the stitch definition is gone or the balls are snugly encased. Expect the spaces between the balls to be long and stretchy. These areas will be tacked down during finishing, so don't fret if your Snowman looks a little misshapen. After

the Snowman is fully felted, roll in a towel to remove excess water. Lay out flat to dry completely. Once the Snowman is dry, thread yarn needle with A. Tack the larger ball to the middle ball to remove any slack between balls. Repeat with the middle ball and the smallest ball. Using black yarn and photo as a guide for placement, embroider eyes and buttons onto felted Snowman. Using orange yarn and photo as a guide for placement, embroider Snowman's nose.

SCARF

With C and smaller double-pointed needles, cast on 5 sts. Working back and forth in

St st, alternate 2 rows of C and 2 rows of B until the scarf is the desired length. Carry the colors not in use up the side as you progress. Finish the scarf by sewing it along the naturally occurring seam at the back, where the scarf folds in on itself. Add fringe by threading several 2"/5cm lengths through one end of the scarf then trim to .5"/1.25cm. Repeat on the other end. Weave in ends.

YARN

SMC SELECT Extra Soft Merino Fino, 1.75oz/60g balls, each approx 191.5yd/175m (100% merino wool)
✧ 1 ball #5488 Malachite

FINE

KNITTING NEEDLES

✧ 1 set size 3 (3.25mm) double-pointed knitting needles or any size to obtain gauge

NOTIONS

✧ 3 strands of beads, one each 14"/35.5cm, 16"/40.5cm, and 18"/45.5cm long; or one approx 48"/122cm-long strand cut to these measurements
✧ 8–10 peacock feathers
✧ 4"/10cm-wide piece of craft felt to match feathers
✧ 2"/5cm-wide wire hair comb

- ✧ Craft/fabric glue or glue gun
- ✧ Sewing needle and matching thread
- ✧ Stitch marker
- ✧ Yarn needle

FINISHED MEASUREMENTS

Base diameter approx
6.5"/16.5cm

GAUGE

24 sts and 32 rows =
4"/10cm in Stockinette st
Remember to check gauge for best results!

SPECIAL TECHNIQUE

I-Cord With double-pointed needles, cast on 4 sts. Knit. *Slip sts to opposite end of needle without turning and holding yarn in back, knit across; repeat from * until I-Cord measures desired length. Bind off.

BASE

Cast on 4 sts. Work I-Cord 4yd/3.5m long. Bind off all sts, leaving 1yd/1m long tail.

LARGE FLOWER

(Make 2)

Cast on 80 sts. Divide sts evenly around dpns. Join to work in rounds, taking care not to twist sts. Place marker for beginning of round. Work in St st (knit every round) until piece measures 6"/15cm from beginning. Bind off all sts.

SMALL FLOWER

(Make 1)

Cast on 60 sts. Divide sts evenly around double-pointed needles. Join to work in rounds, taking care not to twist sts. Place marker for beginning of round. Work in St st until piece measures 4"/10cm from beginning. Bind off all sts.

FINISHING

Base

Note You may wish to pin spiral to blocking board to make it easier to sew spiral. Roll I-Cord into a spiral and lay on flat surface. Beginning at center of spiral, sew I-Cord to itself around the spiral. When there are approx 5 spiral rounds left to complete, create a vertical curve along half of the Base's edge by stacking I-Cord slightly when sewing along that section. To stack, rather than attaching loose I-Cord to the side edge of the spiral's previous round, shift where the loose I-Cord is attached so that it is 1-st closer to the top surface of Base.

Flowers

Fold 1 Large Flower in half lengthwise, so that cast-on and bind-off edges are together. Roll piece tightly widthwise, holding cast-on and bind-off edges together

at one end, and sewing folded edge to itself to form a spiral, as for Base. Leave long tail to sew edge to Base. Holding center of Flower, turn it backward against direction of roll to open up and fill out Flower, while pulling up very slightly to raise center of Flower; allow cast-on/bind-off edges of Flower to roll naturally. Repeat with Small Flower. Repeat for second Large Flower, rolling piece loosely widthwise for a more open Flower. Sew bead strands to top of Base, approx 1"/2.5cm in from center of curved edge of Base. Cut craft felt into approx 4"/10cm diameter circle. Arrange feathers in fan shape and glue to felt, making sure that feathers completely cover felt; trim felt and base of feathers if necessary. Sew felt to curved side of Base (see photo), approx 1"/2.5cm in from curved edge, making sure that felt is secure enough to stay in place when Fascinator is worn. Arrange Flowers on top of Base and sew in place, using tails. Using sewing needle and thread, sew hair comb to underside of Base, approx 2"/5cm in from center of curved edge of Base, with teeth of comb pointed in to center of Base. Place comb so Fascinator can be worn with feathers pointing up. ✧

Try any craft
feathers to
make it yours.

4"/10cm in Eyelet Rib, using size 7 (4.5mm) needle
Remember to check gauge for best results!

NOTES

The Shoulder Band is worked first; this piece runs from wrist to wrist, and includes back neck shaping. The Back and Fronts are picked up from the long edges of the Shoulder Band and worked down to the waist, then bound off. The Cuffs are worked, then side and Sleeve seams are sewn, and the Waistband Ruffle is picked up from the Back and Fronts and worked to the bottom edge. When working shaping in Eyelet Rib, do not work a yarnover without a corresponding decrease, and vice versa.

BACK

With RS of Shoulder Band facing, using size 7 (4.5mm) needle, pick up and knit 208 (220, 232, 244, 256) sts along long, unshaped edge of Shoulder Band. Purl 1 row. Work in Eyelet Rib until piece measures 3"/7.5cm, end with a WS row.

↪ continued on next page ↪

Dolman sleeves are worked together with the sweater body.

Shape Sleeves

Next Row + (RS) Continuing in pattern as established, *bind off 3 sts at beginning of next 2 rows, then 2 sts at beginning of next 2 rows; repeat from * 13 times—68 (80, 92, 104, 116) sts. Work even for 3 rows.

Next Row + (RS) Decrease 1 st at beginning and end of row every 4th row twice, as follows: K1, ssk, work to last

3 sts, k2tog, k1—64 (76, 88, 100, 112) sts. Work even until piece measures 12 (12, 12.5, 12.5, 13)"/30.5 (30.5, 32, 32, 33) cm from pick-up row, end with a WS row. Bind off all sts.

RIGHT FRONT

With RS of Shoulder Band facing, using size 7 (4.5mm) needle, beginning

at cuff edge and ending at bound-off neck sts, pick up and knit 88 (94, 100, 106, 112) sts along long edge of Shoulder Band. Purl 1 row. Work in Eyelet Rib for 1"/2.5cm, end with a RS row.

Shape Neck and Sleeves

Note Neck and Sleeves are shaped at the same time; please read entire section through before beginning.

Increase Row + (RS) Continuing in pattern as established, and working increased sts in Eyelet Rib as they become available, increase 1 st at neck edge every 4th row once, then every 6th row once, as follows: Work to last st, M1, k1—90 (96, 102, 108, 114) sts. Repeat Increase Row until a total of 15 sts have been increased at neck edge. AT THE SAME TIME, when piece measures 3"/7.5cm from pick-up row, shape Sleeve as follows:

Next Row + (RS) *Bind off 3 sts at cuff edge once, then 2 sts once; repeat from * 13 times. Purl 1 row.

Next Row + (RS) Decrease 1 st every 4th row twice, as follows: K1, ssk, work to end—31 (37, 43, 49, 55) sts remain when all shaping is complete.

Work even until piece measures 12 (12, 12.5, 12.5, 13)"/30.5 (30.5, 32, 32, 33) cm from pick-up row, end with a WS row. Bind off all sts.

LEFT FRONT

With RS of Shoulder Band facing, using size 7 (4.5mm) needle, beginning at cast-on neck sts and ending at cuff edge, pick up and knit 88 (94, 100, 106, 112) sts along long edge of Shoulder Band. Purl 1 row.

Work in Eyelet Rib for 1"/2.5cm, end with a RS row.

Shape Neck and Sleeves

Note Neck and Sleeves are shaped at the same time; please read entire section through before beginning.

Increase Row + (RS) Continuing in pattern as established, and working increased sts in Eyelet Rib as they become available, increase 1 st at neck edge every 4th row once, then every 6th row once, as follows: K1, M1, work to end—90 (96, 102, 108, 114) sts.

Repeat Increase Row until a total of 15 sts have been increased at neck edge. **AT THE SAME TIME**, when piece measures 3"/7.5cm from pick-up row, shape Sleeve as follows:

Next Row + (WS) *Bind off 3 sts at cuff edge once, then 2 sts once; repeat from * 13 times.

Next Row + (RS) Decrease 1 st every 4th row twice, as follows: Work to last 3 sts, k2tog, k1—31 (37, 43, 49, 55) sts remain when all shaping is complete. Work even until piece measures 12 (12, 12.5, 12.5, 13)"/30.5 (30.5, 32, 32, 33)cm from pick-up row, end with a WS row. Bind off all sts.

FINISHING

Cuff

With RS facing and size 7 (4.5mm) needle, pick up and knit 54 sts evenly spaced along cuff edge. Work in Old Shale Pattern for approx 2.5"/6.5cm, end with Row 3 of pattern. Bind off all sts knitwise. Sew side and Sleeve seams.

Waistband Ruffle

With RS facing and size 7 (4.5mm) needle, beginning at lower Left Front edge, pick up and knit 201 (237, 285, 321, 369) sts evenly spaced along lower edge. **Eyelet Row + (WS)** P3, *k2tog, yo, k1, p3, k3, p3; repeat from * to last 6 sts, k2tog, yo, k1, p3. Work in K3, p3 Rib for 1"/2.5cm, end with a RS row, increase 0 (0, 3, 3, 0) sts or decrease 3 (3, 0, 0, 9) sts evenly spaced on last row—198 (234, 288, 324, 360) sts.

Next Row + (WS) Change to size 6 (4mm) needle. Work in Old Shale Pattern for 4 rows. Change to size 7 (4.5mm) needle. Continue in pattern as established until piece measures 3.5"/9cm from pick-up row. Change to size 8 (5mm) needle. Continue in pattern as established until piece measures approx 4.5"/11cm from pick-up row, end with Row 3 of pattern. Bind off all sts knitwise.

Neckband

With RS facing and size 7 (4.5mm) needle, beginning at lower right edge of Waistband Ruffle, pick up and knit 187 (187, 191, 191, 195) sts evenly spaced along right Waistband Ruffle, Right Front neck edge, Back Neck edge, Left Front neck edge, and left Waistband Ruffle. Knit 3 rows. Bind off all sts loosely knitwise.

Weave in ends.

Waistband Ribbon

Fold raw ends of ribbon .5"/13mm to WS and sew in place, then sew bead or crystal to each end of ribbon. Weave ribbon through Eyelet Row in Waistband Ruffle, beginning and ending on WS.

Ribbon Bow

Holding 2 wide ribbons together, tie large bow, approx 7–8"/18–20.5cm wide when tied. Using sewing needle and thread, tack layers of bow to each other so bow does not untie. Sew male halves of snaps to center back of bow, 1"/2.5cm apart. Sew female halves of snaps to RS of each Front, where Waistband Ruffle is picked up from Fronts, sewing snaps into ridge formed by pick-up row. Snap bow to Shrug. ✦

Bind-Off Row + (RS) Bind off 5 sts, cut yarn, leaving a 36"/91.5cm tail; fasten off last st on right-hand needle. *Thread 4 beads on tail. Using tail, bind off next 5 sts, laying beads beneath beaded

section, fasten off last st; repeat from * to last 6 sts. Bind off remaining sts.

STRAP

Cast on 55 sts.

Next Row + K27, HB (accent bead), k27.

Bind off all sts. Fold Strap in half; sew ends together to form loop. Set aside.

Button Loop

Cast on 9 sts.

Bind off all sts. Fold Loop in half; sew ends of Loop to each side of center beaded section of Flap (see photo).

FINISHING

Weave in ends.

Lining (Optional)

Using knitted Clutch as a template, cut out one piece of interfacing and two pieces of lining fabric the same size as Clutch Body and Flap. Fuse interfacing to WS of one piece of fabric following manufacturer's instructions. With right sides of fabric pieces together, sew both layers together, leaving one end open. Turn lining RS out. Press flat. Fold raw ends of open edge to WS (inside) and sew edge closed. Fold 7"/18cm up from end of lining (opposite Flap end) and sew side seams. Fold up 7"/18cm of knitted piece (opposite Flap end). Sew side seams. Insert lining. With sewing needle and thread, tack lining to inside of Clutch and around WS of Flap. Sew Strap in place (see photo). Sew button opposite Button Loop (see photo). ✦

knit note!

"This skirt provided my 7- and 8-year-old sons with an impromptu geometry lesson. Together, we measured radius and diameter and discussed how to figure out circumference. We even tackled the concept of pi, much to their delight." — **Kris Percival**, DESIGNER

Stuff firmly with fiberfill.

Round 18 + [K2tog] 6 times—6 sts.
Cut yarn, leaving a long tail.
Thread tail through sts and pull to close. Knot to secure.

Weave in ends.

Felting

Place Buttons in mesh bag or pillowcase, secure, and put in top-loading washing machine with a pair of jeans. Set to hot wash/cold rinse, lowest water level, and heaviest agitation. Check after 5 minutes and continue to check progress every 1–2 minutes. If agitation cycle finishes before felting process is complete, restart agitation cycle. Don't let machine go through rinse and spin cycles. Once done, squeeze excess water out with a towel. Shape pieces to desired shape and let dry.

CROCHET BUTTON LOOPS (Make 5)

Holding 2 strands of D together, crochet a chain, 7"/18cm long. Fasten off.
Lining up stripes, sew Panels together along side seams, leaving one seam unsewn.

Edging

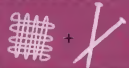

With crochet hook and matching colors, work 2 rows of slip st evenly spaced along top and bottom edges of Tree Skirt. Fasten off.

FINISHING

Sew buttons along right side of open seam, with first 1"/2.5cm from top edge and last 1"/2.5cm from bottom edge and others evenly spaced between. Fold Button Loops in half and sew each end to left side of open seam opposite Buttons.

Weave in ends.

NOTE

Stocking is worked in magic loop method of circular knitting. Working with double-pointed needles or any other type of circular knitting can be used instead. Stocking begins at center of Heel. Then stitches are cast on and Foot is worked to toe. Stitches are picked up along opposite edge and are worked to top edge. An I-Cord edging is worked along top edge.

SPECIAL TECHNIQUES

Figure-8 Cast-On With circular needle points parallel and facing in same direction, wrap yarn around them in a figure-8 for required number of times, pull through bottom needle, place marker, knit the stitches on top needle, place marker, knit remaining half of stitches. On either the top or the bottom half, the stitches will be twisted the wrong way, so remember to knit into the back of the loops when you encounter the twisted stitches. Work across sts using magic loop method of circular knitting with second circular needle.

Grafting Place sts to be grafted onto 2 needles with wrong sides together and with needle points facing to the right. Using yarn needle, insert into first st on front needle as if to purl, leaving st on needle. Insert into first st on back needle as if to knit, leaving st on needle. * Insert into first st on front needle as if to knit, slipping st off needle, then into next st on front needle as if to purl, leaving st on needle. Insert into first st on back needle as if to purl, slipping st off needle, then into next st as if to knit, leaving st on needle. Repeat from * until all sts have been grafted.

3-Needle Bind-Off (Seaming 2 pieces together while binding off) Place sts of pieces to be joined on separate needles, (or each end of a circular needle), hold one behind the other with right sides facing each other in left hand; with a third needle the same size, k2tog (1 from one needle and 1 from the other)—1 st on right-hand needle, *k2tog in same manner, bind off; repeat from *.

I-Cord With double-pointed needles, cast on 4 sts. Knit. *Slip sts to opposite end of needle without turning and holding yarn in back, knit across; repeat from * until I-Cord measures desired length. Bind off.

NOTES

Find the charts for this project at our website (www.knittingtodaymag.com). Each Pocket is knit as a flat rectangle. The sides are then stitched to create a pocket. The numbered pocket flap hangs over the front of the Pocket and is fastened to each of the two lower corners with jingle bells. When each Pocket is opened, the pocket flap should be tucked inside the Pocket to reveal the letter on the front of the Pocket. The Pockets are connected to each other with a row of crocheted slip stitches across the top of the garland. Each Ornament is worked in the round with double-pointed needles. For colorwork, use the Fair Isle method of knitting, picking up new yarn from under old to twist yarns and prevent holes. Carry colors not in use loosely along wrong side of work. To avoid the jog when working the striped sections of Large Ornaments, work the first round in the new color as usual. Before you start the second round in the new color, use your right needle to pick up the stitch below the next stitch and put it on the left needle. Knit this stitch together with the next stitch.

Cut yarn leaving a 10"/25.5cm tail. Using yarn needle, thread tail through remaining 6 sts and pull tight to close. Using beginning yarn tail and yarn needle, close beg round the same way. Weave in ends.

SHORT STRING

(Make 2)

Using crochet hook and E, leaving 16"/40.5cm long beginning tail, chain 30, place marker in 30th chain made, chain 20. Fasten off with 16"/40.5cm yarn tail. Securely stitch one large jingle bell to each end of chain. Carefully weave ends into chain.

LONG STRING

(Make 2)

Using crochet hook and C, leaving 16"/40.5cm long beginning tail, chain 35, place marker in 35th chain made, chain 45. Fasten off with 16"/40.5cm yarn tail. Securely stitch one large jingle bell to (beginning) shorter end of chain. Stitch Large Ornament securely onto other end of chain. Carefully weave ends into chain.

Assemble Pockets

With right sides together, fold each Pocket along purl rows. Using MC yarn and yarn needle, stitch side seams (be sure to leave front flap of Pocket free). Turn RS out and stitch one small jingle bell to each bottom corner of Pocket.

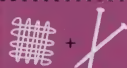

Joining

Place Pockets in order on table or floor. Using A and crochet hook, leaving a long tail, chain 35 and slip stitch through the marked sts of one Short String and one Long String held together, to join them to the garland. Chain 8, slip stitch into the same st (where the strings were joined) to make a hanging loop, and working from right to left (starting with pocket 24), slip stitch into each purl st at the top edge of each pocket. Continue to add each pocket to the garland in this way. After you have added Pocket 1, chain 8, slip stitch into the 8th chain from hook, slip stitch through the marked two sts from the two remaining strings to join them to the garland; chain 35. Fasten off with a long tail. Tie the beginning and ending chains of A around the joining slip stitch to secure the top chain st of the Long and Short Strings. Using the yarn tails and yarn needle, stitch the Small Ornaments securely to the end of each chain of A.

Using Lifelines

If you're a newcomer to lace, lifelines are your friend. These are strands of yarn you use to mark a row you know you've knit correctly. They help prevent dropped stitches if you need to rip the project back because of an error. To create a lifeline, thread a strand of contrasting color yarn in a finer weight than the working yarn onto the yarn needle and run the needle through the stitches while they're on the knitting needle. Cut the contrasting yarn, leaving a long tail at either end. Leave the lifeline in place until you're sure that you don't need to fix an error. Place a new lifeline periodically, removing the old lifeline. Also, note which row of the pattern you're on when you place a lifeline. If you find an error and need to rip back, remove all the stitches from the needle and unravel the work until you reach the lifeline. Place the stitches back on your needle, being careful not to twist any of the stitches. Resume the stitch pattern with the row following the one where you placed the lifeline.
